

To Whom It May Concern,

I have had the pleasure of working with Q-Mack for the past sixteen years with a number of NBA Canada events, including NBA Hoop-It-Up, NBA Big Tour, Bell NBA All-Star Challenge, BMO NBA All-Star Kidsfest and NBA All-Star 2016.

Q-Mack is a hard working and passionate individual. He sees projects through from start to finish. He is a problem solver who achieves extraordinary results.

He has a keen understanding of partner servicing, operations and event marketing. I would strongly recommend him for any position related to these strengths.

As a host, he has an unmatched ability to entertain, communicate and engage fans and players alike.

Please feel free to contact me at your earliest convenience with any questions.

Sincerely,

Jonathan Chang, NBA Canada
