Q-Mack and J-Box just left Grand View P.S. in Cambridge and the place is still buzzing with excitement!

The performance was upbeat and positive and kept all of our students engaged and excited. Q-Mack's skills and antics and J-Box's crazy sounds are keenly used in a way to relay important messages about bullying, inclusion and empathy while maintaining a level of high activity!

Our students and staff truly enjoyed the performance, and their message was delivered clearly! If you're looking for a fun yet wellness focused performance, I would contact Q-Mack and have him tailor a program just for your needs.
