January 27, 2017

To Q-Mack and J-Box,

On behalf of our students and staff, I would like to thank you for the wonderful presentation at our school last week. We have had several anti-bullying presentations at our school as part of our anti-bullying awareness campaign and I can truly say that your performance was truly innovative and outstanding.

Your message of inclusiveness, acceptance, respect and empowerment were well received by the students, and staff, as we were all mesmerized by the juggling and basketball tricks; as well as the wonderful sounds by J-Box. You are definitely a very talented and dynamic duo. The children were truly engaged and your message was clear – respect for all!

Thank you for sharing your talents and the positive messages of inclusion, acceptance, respect and empowerment with our school.

Sincerely,

Ida D'Addese
Principal
