Greetings Golf Course General Managers, Head Pros and Tournament Organizers!

I'm reaching out to present a new opportunity for your team's internal review. I'm currently gearing up to go on tour performing at corporate and charity golf tournaments nationwide with a unique package that both golf course General Managers and Tournament Organizers will appreciate.

I'm ready to bring some FUN back to any fundamentally regular golf tournaments by offering 3 key services that are guaranteed to elevate the overall tournament experience... for the host course, the tournament organizer, and the golfers!

WHO IS Q-MACK?

- * An NBA All-Star Entertainer & Event Host in Los Angeles, Chicago, Utah, Toronto and heading to Indianapolis with the NBA in 2024 to entertain and interview some of the league's biggest stars. Hosted events with Steph Curry, LeBron James, Snoop Dogg, Shaq, Giannis, Kawhi and more!

- * Signed by Nike Canada, in 2002 who for the next 15 years provided all of his shoes, clothing, basketballs, and travel gear, including golf apparel and equipment.
- * A First Nations Canadian, **Q-MACK is proudly Indigenous** and has been hired by 5000 schools to present his acclaimed Be An All-Star Assembly for over 3 million students.
- * A touring entertainer/host for 24 years performing basketball tricks, juggling acts, and balancing 16 foot ladders on his chin, he's now being hired by CORPORATE GOLF TOURNAMENTS!

Q-MACK has been hired to perform for national brands like Nike, Walmart, Bell, BMO, FootLocker, SunLife, NBA2K, AirMiles, RedBull, Sprite, Samsung, Dempsters, Gatorade, Wrigley's and more.

Last year Q-MACK was hired to host and entertain at several corporate/charity golf tournaments at courses like Glen Abbey and Walter Gretzky GC. But this season, he's about to take the show on the road!

He's curated a list of General Managers and Head Golf Pros from the best golf courses across Canada. He'll be contacting them with a promotional package and video clip showcasing the 3 Key Services he can provide to energize any corporate or charity golf tournaments that are booking events at their courses to elevate the golfer's overall experience.

THE OPPORTUNITY

This a unique way for local golf courses to instantly generate money for their Junior Golf Programs AND provide tournament organizers with a stellar upgrade for their big day.

Every time a golf course provides a tournament organizer with Q-MACK's Tournament Entertainment Package, they earn \$800 for making the connection. WIN-WIN-WIN!

3 SERVICES Q-MACK PROVIDES EACH TOURNAMENT

1

A PRO ENTERTAINER

set up on a tee box with a flashy 60 second NBA Halftime Show calibre performance for every group of golfers that comes through ending with a polished GOLF trick shot. The Upside Down Driver on a Par 4/5 and The No Look Hook/Spinner on Par 3s!

2

MUSIC & AUDIO SET UP

to elevate the vibes through out the day and to stoke the energy levels of golfers as they arrive. Q-MACK provides microphones and speakers to make announcements or so the tournament organizer can say a few words to welcome golfers or recognize sponsors.

3

AN EXPERIENCED MC/HOST

at the dinner to announce the tournament winners, award prizes, encourage donations for the charity raffle, and to hit all key messaging for the tournament organizer including thanking all sponsors/partners.

THE DAILY RATE & GIVE BACK

There is NO cost to any golf courses as Q-MACK's daily services fee of **\$4000** is covered directly by the Corporate Tournament Organizer. As a thank you to the General Managers who successfully sell the package to a Tournament Organizer, they automatically **keep 20%** of it to for their own golf course's JUNIOR GOLF PROGRAM.

Any golf course GM that offers this package to tournaments as a Value Added Service to upgrade the client's tournament experience will instantly make **\$800** for their Junior Golf Program. Every time a Tournament Organizer hires Q-MACK's full services package, the host golf course gets paid. Triple Win!
